

# A1 FOODS

2016 saw us celebrate our tenth year as A1 Foods. We are a family run business which takes pride in the fact that we offer more Italian produce than most shops in ITALY!

2015 saw us add a deli and bakery to our already established Cash And Carry.

We offer freshly baked Pane Di Altamura, made on site in the morning, 6 days a week.

This Menu also launches our freshly prepared food that can either be taken away or enjoyed while relaxing in our outdoor seating area.

Originally established to serve the catering trade sector, A1 Foods now welcomes

everybody. People travel from all over the UK to purchase our bread and fill their cupboards with Italy's most loved brands.

Cold meats & cheeses are sliced in front of you and we can accommodate any preferences you may have on how they are sliced. The bakery has its own independent phone line so if you need a tray of pizza or want a specific form of our bread, please ring in advance to avoid disappointment.

All debit & major credit cards accepted, with the exception of American express. Cash & BACS payments are also welcome.
